Victim Impact Panel Program
August 6, 2020

In order to reduce the risk posed to the public, court staff, and other stakeholders, while protecting public safety and the legal rights of our citizens the Court has determined that we cannot continue our Victim Impact Panel any time in the foreseeable future. We understand that ideally having someone in person and local is more impactful, but in looking at the changes that we would need to make currently in order to run these panels it would be impractical. The Court is therefore discontinuing the in-person program and suggests that the following on-line programs could be utilized to meet your needs.

<https://courses.educationonline.school/courses/victim-impact-panel-vip> Cost \$35.00

<https://online.maddvip.org/class/> Cost \$65.00

<http://www.sbconlinepanel.com/MichiganCounties.html> Cost \$25.00

<https://www.cornerstonerecoverycoaching.com/madd-panel> Cost \$29.00

<https://www.onlinevictimimpactpanel.com/> Cost \$25

Basically all programs operate very similar. The fee is paid and a video plays at the end of the video you have questions to answer, you must score 100% in order to receive a certification of completion. I am sure there are more online classes than what we have listed here that you may want to consider.

Sincerely,
